MEDIA RELEASE

RELIANCE INFRA WINS EPC CONTRACTS OF OVER RS. 5,000 CR IN BANGLADESH

RELIANCE INFRA WON PROJECT ON INTERNATIONAL COMPETITIVE BIDDING

RELIANCE INFRA WILL EXECUTE INTEGRATED LNG TERMINAL AND POWER PROJECT

CONTRACT TO BE EXECUTED OVER NEXT 24 MONTHS, COMPLETION IN 2019

Mumbai, December 6, 2017: Reliance Infrastructure Limited (RInfra) has won two prestigious EPC contracts in Bangladesh together valued at Rs. 5,000 crore. The projects were won on International Competitive Bidding (ICB).

The first EPC contract includes setting up the entire infrastructure of a 750 MW LNG-based combined cycle power plant at Meghnaghat (Dhaka) while the second project is for building a 500 MMSCFD floating storage regasification unit (FSRU) based integrated LNG terminal project at Kutubdia Island, both in Bangladesh.

Both the contracts are to be executed in a project schedule of 24 months, and are to be completed by 2019.

The contracts for both the projects entail design, engineering, supply, transportation, erection, testing and commissioning processes. The integrated LNG terminal project works would include setting up jetty and onshore and offshore gas pipelines.

RInfra CEO EPC, Mr. Arun Gupta, said, ***“Our thrust on engineering, procurement and construction (EPC) has ensured the successful execution of all the EPC projects we have won. This power project win comes after winning an EPC order for Rs. 3,675 crore from NLC India Limited for setting up two Lignite based CFBC Thermal Power Projects of capacity 250 MW each.”***

RInfra EPC Division has also been shortlisted for prestigious projects like the Bandra-Versova Sea Link, Mumbai Coastal Road, and the Mumbai-Nagpur Expressway.

About Reliance Infrastructure EPC

<http://www.rinfra.com>

Reliance EPC is part of Reliance Infrastructure (RInfra), which has a consolidated income of Rs 28,222 crore for FY 2016 - 17, and business interests spanning diverse infrastructure segments such as Roads & Highways, Railways & Metros, Mega Civil projects, Water & Marine, Renewable in addition to Power projects.

RInfra is one of the pioneering names in the business with a project portfolio of 1,000 km of roads, 140 MW of solar power, 4,000 km of transmission lines and 9,000 MW of thermal power. The division offers a single point solution for execution of projects from "Concept to Commissioning" including project development, project engineering, procurement, construction and commissioning for clients. 'On-time' project delivery and cost efficiency coupled with an uncompromising commitment to quality form the cornerstones of the business.

With over eight decades of experience in project execution and delivery, the EPC division of RInfra has been successfully partnering with the nation to offer innovative, quality and on-time execution of complex mega infrastructure projects across diverse sectors and geographies.

Reliance Infrastructure's EPC business is certified for ISO 9001:2000 by BVQI and also for Integrated Management System (IMS) covering Environmental Management System (ISO 14001) and Occupational Health and Safety Management (OHSAS 18001).
