MEDIA RELEASE

RINFRA WINS EPC CONTRACT OF Rs.711 CRORE FOR A ROAD PROJECT RECEIVES LETTER OF ACCEPTANCE FROM NHAI PROJECT PART OF NATIONAL HIGHWAY DEVELOPMENT PROGRAMME PROJECT TO BE COMPLETED IN 24 MONTHS

Mumbai, April 07, 2017: Reliance Infrastructure Ltd. (RInfra) has received the Letter of Acceptance (LOA) from the National Highways Authority of India (NHAI) for the construction of Vikkaravandi to Sethiyahopu section of NH-45 C in Tamil Nadu after it emerged as the lowest bidder for the development of the project on Engineering, Procurement & Construction (EPC) basis.

The project is a under the Government of India's flagship program of the National Highway Development Program (phase IV) and is funded by NHAI. The infrastructure major, one of the largest NHAI concessionaires, after quoting Rs. 711 crore for the project, was declared the successful bidder. The project is to be completed within a construction period of 24 months.

The contract includes design and construction of the 65.96 km long highway including major and minor bridges, railway over bridges, flyover, bypasses and toll plaza as major components of the project. The maintenance period for the project is four years.

Other bidders for the project included L&T, IL&FS and Punj Lloyd.

RInfra EPC CEO Mr Arun Gupta said, "Our renewed thrust on engineering, procurement and construction (EPC) has already begun to show results. This project win comes after we won an EPC order for Rs.3,675 crore from NLC India Limited for setting up two Lignite based CFBC Thermal Power Projects of capacity 250 MW each."

The Reliance Group Company had revamped its strategy to refocus on engineering, procurement and construction (EPC) business targeting an ambitious order book target of Rs 50,000 crore by FY 19. The infrastructure major has been focusing on projects in power, roads, railways, defence and ports. The Company currently operates eleven road projects with total length of 1,000 kms on build, operate and transfer (BOT) basis.

About Reliance Infrastructure Limited

<http://www.rinfra.com>

Reliance Infrastructure Ltd (RInfra) is one of the largest infrastructure companies, developing projects through various Special Purpose Vehicles (SPVs) in several high growth sectors such as Power, Roads and Metro Rail in the Infrastructure space and the Defence sector.

RInfra is also a leading utility company having presence across the value chain of power businesses i.e. Generation, Transmission, Distribution and Power Trading.

RInfra through its SPVs has executed a portfolio of infrastructure projects such as a metro rail project in Mumbai on build, own, operate and transfer (BOOT) basis; eleven road projects with total length of ~1,000 kms on build, operate and transfer (BOT) basis.

RInfra also provides Engineering, Procurement and Construction (EPC) services for developing power and road projects.

The Company has entered into the defence sector. The Maharashtra Government has allotted land at Mihan near Nagpur for the development of India's first smart city for the defence sector known as Dhirubhai Ambani Aerospace Park (DAAP). RInfra associate Reliance Defence & Engineering Ltd, houses India's largest dry dock facility to build warships and other naval vessels.
