**To the Board of Directors of

Disclaimer of Opinion

We were engaged to audit the accompanying consolidated financial results of Reliance Infrastructure Limited (hereinafter referred to as the "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates and its joint venture for the quarter and year ended March 31, 2026, ("consolidated financial results", "the Statement") attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('LODR Regulations').

Because of the substantive nature and significance of the matter described in the "Basis for Disclaimer of Opinion", we have not been able to obtain sufficient appropriate audit evidence to provide the basis of our opinion as to whether these consolidated financial results:

- (i) Include the results of the entities listed in Annexure 1;
- (ii) are presented in accordance with the requirements of Regulation 33 of the LODR Regulations in this regard; and
- (iii) give a true and fair view in conformity with the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of net profit and other comprehensive income and other financial information of the Group for the quarter and year ended March 31, 2026.

Basis for Disclaimer of Opinion

1. We refer to Note 20 to the consolidated financial results regarding the Holding Company's exposure to the Economic Rights of shareholding in Odisha Discoms and in shares and securities in certain unlisted entities as on March 31, 2026, aggregating to Rs. 4705.74 Crore, acquired by the Holding Company pursuant to Consent Terms/Settlement Agreement in the previous year.

We were unable to determine the overall recovery of the aforesaid Economic Rights. Accordingly, we are unable to determine the consequential implications arising therefrom in the consolidated financial results of the Holding Company.

2. We draw attention to Note 24 to the consolidated financial results regarding the ongoing proceedings by the Enforcement Directorate ("ED"), the Show Cause Notice (SCN) issued by the Securities and Exchange Board of India (SEBI) and notice from the Serious Fraud Investigation Office (SFIO) and Note 25 regarding filing of ADT-4 and tendering our resignation as the Statutory Auditors with effect from the handover of the statutory audit report for the financial year ended March 31, 2026, basis our review of the SCN herein and the allegations therein of suspected fraud with regards to the manner of utilisation of funds through CLE Private Limited (CLE) and its alleged relationship with the Holding Company among other matters. In connection to this matter, we filed ADT-4 under section 143(12) of the Act and relevant rules, with MCA on January 19, 2026.

The outcome of the proceedings is presently uncertain and cannot be determined at this stage. Accordingly, we are unable to determine the consequential implications arising therefrom in the consolidated financial results.

3. We draw attention to Note No. 12(a), to the consolidated financial results in respect of Mumbai Metro One Private Limited (MMOPL), wherein the management of MMOPL has represented that the financial statements have been prepared on a Going Concern basis, notwithstanding the fact that the MMOPL has incurred net loss of Rs. 1,276.68 crore during the year ended March 31, 2026 and the MMOPL's net worth is negative aggregate Rs. 3,956.66 crore and its current liabilities exceed its current assets by Rs. 5,895.59 crore as at March 31, 2026. Majority of lenders, had filed applications with the National Company Law Tribunal (NCLT) under section 7 of the Insolvency Bankruptcy Code, 2016 for recovery of debts in the earlier year and the consortium of lenders have initiated recovery proceedings before Debt Recovery Tribunal (DRT), Delhi Bench under the provisions of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act). Further, pending final outcome of significant litigations under various laws the impact of which is unascertainable.

As informed, discussions with lenders for restructuring of borrowings are ongoing, necessary approval and binding agreement or definitive outcome has been reached as at the date of this report. The MMOPL's ability to continue as a going concern is dependent upon successful restructuring of borrowings, infusion of funds and generation of adequate future cash flows.

In absence of support letters from shareholders and sufficient cash flow for immediate twelve months the management plan to assess the going concern of the entity is not adequate. This situation indicates that a material uncertainty exists that may cast significant doubt on the MMOPL's ability to continue as a going concern. This has been referred by MMOPL auditors as a Qualification in their audit report.

As a result of the matters described in paragraph 1 to 3 above we were not able to obtain sufficient appropriate evidence to provide a basis of our Opinion on the consolidated financial results.

- e. KM Toll Road Private Limited (KMTR), has terminated the Concession Agreement with National Highways Authority of India (NHAI) for Kandla Mundra Road Project (Project) on May 7, 2019, and accordingly the business operations of the Company post termination date has ceased to continue. These conditions along with the other matters set forth in Note 16 indicate that an uncertainty exists that may cast significant doubt on KMTR's ability to continue as a going concern. However, the financial statements of KMTR have been prepared on a going concern basis for the reasons stated in the said Note.
- f. Additionally the auditors of certain subsidiaries and associates have highlighted material uncertainties related to going concern/emphasis of matter paragraph in their respective audit reports.

However, for the reasons more fully described in the aforesaid note the consolidated financial results of the Group have been prepared on a Going Concern basis.

Our opinion on the consolidated financial results is not modified in respect of this matter.

Emphasis of Matter Paragraph

1. We draw attention to Note 11 to the consolidated financial results with regards to GF Toll Road Private Limited (GFTR), which states that GFTR was admitted during FY 2024-25 into Corporate Insolvency Resolution Process (CIRP) pursuant to an order passed by NCLT Mumbai. The CIRP process for GFTR stands completed in terms of the NCLT order dated February 23, 2026. Accordingly, GFTR ceased to be a subsidiary effective February 23, 2026, the date on which the Resolution Plan was approved. Pursuant to the NCLT order, the Successful Resolution Applicant (SRA) has provided to implement the Successful Resolution Plan within 90 days from the date of approval and accordingly gain of Rs. 267.07 crore has been recognised on account of deconsolidation and shown as an exceptional item. Our Opinion on the consolidated financial results is not modified in respect of this matter.
2. We draw attention to Note 13 to the consolidated financial results with regards to MMOPL, which describes that the Enforcement Directorate has provisionally attached the equity shares held by the holding company in the MMOPL. Further, MMRDA which is holding 26% of equity shares of the MMOPL, has informed to the MMOPL that MMRDA is 'a shareholder' and not be treated as 'Promoter'. The matter is pending before Bombay High Court. The outcome of which is uncertain. Our Opinion on the consolidated financial results is not modified in respect of this matter.
3. We draw attention to Note 17 and 18 to the consolidated financial results with regards to contingent liability in respect to Late Payment Surcharge (LPSC) and outstanding balances payable to Delhi State utilities and timely recovery of accumulated regulatory deferral account balance by Delhi Discoms in respect of which the matter

is pending before Various Forums. Our Opinion on the consolidated financial results is not modified in respect of this matter.

4. We draw attention to refer to Note 23 to the consolidated financial results wherein Holding Company has rectified the accounting treatment and have adjust loss on invocation and fair valuation of investment of Rs. 5312.02 core against retained earnings, retrospectively in accordance with the Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'. Accordingly, the balance of capital reserve as on April 1, 2024, is increased by Rs. 5312.02 crore and balance of retained earnings is reduced by an equivalent amount. Our Opinion on the consolidated financial results is not modified in respect of this matter.
5. We draw attention to refer to Note 7 to the consolidated financial results, with respect to the Scheme of Arrangement ("Scheme") between the Holding Company ("Transferee Company" or "Reliance Infra") and its wholly owned Subsidiary, Reliance Velocity Limited ("Transferor Company" or "RVL") and their respective shareholders and creditors under Sections 230 - 232 of the Companies Act, 2013 was sanctioned by the Hon'ble National Company Law Tribunal (NCLT) by its order dated September 1, 2025, and became effective from Appointed date i.e. September 30, 2025. Pursuant to the Scheme, the Holding Company has adjusted the debit balance in the Profit and Loss account (Retained Earnings) as on Appointed Date against (i) Capital Redemption Reserve of Rs. 130.03 crore, (ii) Capital Reserve of Rs. 5,179.96 crore, (iii) General Reserve of Rs. 497.41 crore and (iv) Securities Premium Account of Rs. 5,533.49 crore. Had such adjustments not made securities premium account would have been lower by Rs. 18,142.17 crore and other comprehensive income would have been higher by Rs. 18,142.17 crore. Our Opinion on the consolidated financial results is not modified in respect of this matter.
6. We draw attention to Note 21 to the consolidated financial results, regarding the exceptional item aggregating to Rs. (496.10) crore (net) and Rs. 1033.47 crore (net) for the quarter and year ended March 31, 2026. Our opinion on the consolidated financial results is not modified in respect of the above matter.

12. In case of certain subsidiaries and associates, which have continued to prepare their financial results on a 'Going Concern' basis and related disclosures have been made in their separate financial results for the quarter and year ended March 31, 2026, the details together with the reasons for preparation of the respective financial results on a 'Going Concern' basis are summarised below:
 - a) Mumbai Metro One Private Limited ("MMOPL") is a subsidiary of the Holding Company. Its net worth has eroded and its current liabilities have exceeded its current assets. MMOPL remains capable of revival, considering the overall improvement in the operating environment and the consistent year-on-year growth in passenger traffic and revenues. The outlook is further supported by remaining concession period of approximately 19 years (including extensions of 20 months) and positive EBITDA (Earnings before Interest, Tax, Depreciation and Amortization).

MMOPL has defaulted on its loan repayments. The Rupee Term Loan Lenders have assigned their debts to National Asset Reconstruction Company Limited ("NARCL") as per intimation received from Canara Bank (the lead bank) vide letter dated December 27, 2024. MMOPL is in discussion with NARCL for restructuring of its assigned debt. MMOPL is in the process of reconciliation of balances with NARCL and India Infrastructure Finance Company (UK) Limited (IIFCL UK). The differences between the balances as per lenders' confirmations and the books of account of the MMOPL primarily relate to certain unilateral debits/claims by the lenders, which are disputed by the MMOPL.

Majority of lenders of MMOPL, has filed application with National Company Law Tribunal ("NCLT") u/s 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC") for recovery of debt in earlier years and the consortium of lenders have initiated recovery, proceedings before Debt recovery Tribunal ("DRT") Delhi Bench under the provisions of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act). NARCL has substituted itself in a Petition filed by majority of lenders in IBC post assignment of the loan in its favour. NARCL has sought for initiation of Corporate Insolvency Resolution Process ("CIRP") in respect of MMOPL on account of default of its dues and the matter is pending before the NCLT.

Further, MMOPL had filed various claims against Mumbai Metropolitan Region Development Authority ("MMRDA") on account of damages incurred due to delays by

A handwritten signature in black ink, appearing to be "R. S. S." or similar.

MMRDA in handing over of unencumbered Right of Way and land, and additional cost incurred due to various changes in design to accommodate project encumbrances and MMRDA had invoked two arbitrations against MMOPL one under the Concession Agreement ("CA") and the other under the Shareholders Agreement.

By Awards, both dated August 29, 2023, in the arbitration invoked by MMOPL, the Arbitral Tribunal directed MMRDA to pay a sum of Rs. 992 crore along with further interest to MMOPL. In the other two arbitrations invoked by MMRDA, the Arbitral Tribunal directed MMOPL to pay a sum of Rs. 103 crore to MMRDA.

The award in favour of MMOPL was partly upheld by the Hon'ble Bombay High Court on February 24, 2026, following which appeals were filed by both parties. Pursuant to court orders and undertakings, approximately Rs. 587 crore has been permitted to be withdrawn by NARCL, subject to further orders of the Court. Further Appeals have been filed and matters are pending.

Notwithstanding the dependence on above uncertain timelines and events, MMOPL continues to prepare its financial results on a 'Going Concern' basis.

- b) The current liabilities of TK Toll Road Private Limited ("TKTR"), a wholly owned subsidiary of the Holding Company, exceed its current assets. TKTR is taking various steps which will result in improvement in its cash flows and will enable it to meet its financial obligations. The revenue of TKTR has been sufficient to recover its operating costs. Further, its EBITDA (Earnings before Interest, Tax, Depreciation and Amortization) is positive and is expected to increase with growing traffic over its remaining long concession period extending up to financial year 2038. The current debt servicing issues are on account of mismatch in cash flows vis-a-vis debt servicing requirements.

During the year 2022, TKTR had succeeded in arbitration against National Highways Authority of India ("NHAI") leading to a favourable arbitral award of Rs. 588.31 crore (principal amount) and pre-award and post-award interest, which will further improve the financial position. NHAI had challenged the Award under section 34 of the A&C Act. TKTR had also filed a petition for execution of the Award. Both matters are pending before Hon'ble Delhi High Court ("DHC") and are next listed on August 25, 2026. As on March 31, 2026 the total Awarded Amount was Rs. 1,680 crore including interest.

DHC vide order dated August 09, 2023 directed NHAI to deposit 50% of award amount along with interest within four weeks and the balance 50% in four weeks thereafter and the same was permitted to be withdrawn by TKTR against Bank Guarantee ("BG"). NHAI approached the SC against the aforesaid order, and the SC modified the order on September 27, 2023 directing deposit of 25% of the awarded amounts by NHAI and submission of a BG for the remaining 75% before the DHC. NHAI deposited Rs. 282.24 crore and a BG of Rs. 847.83 crore with the Registry of DHC, which released the sum of Rs. 282.24 crore in favour of TKTR, against a BG of equivalent amount, on December 30, 2023. The amount withdrawn by TKTR was utilised to repay its borrowings.

Notwithstanding the dependence on above said uncertain events, TKTR continues to prepare its financial results on a 'Going Concern' basis.

- c) The Current Liabilities of TD Toll Road Private Limited ("TDTR"), a wholly owned subsidiary of the Holding Company, exceed its current assets as on March 31, 2026. TDTR had been taking various steps which will result in improvement in its cash flows and enable it to meet its financial obligations. The revenue of TDTR has been sufficient to recover its

operating costs. Further, its EBITDA is positive and is expected to increase with growing traffic over its remaining long concession period extending upto financial year 2038. The current debt servicing issues are on account of mismatch in cash flows vis-a-vis its debt servicing requirements.

Further, TDTR has succeeded in arbitration against NHAI and is in receipt of two arbitral awards, both pronounced in the financial year 2018, aggregating to a sum of around Rs. 158.45 crore (Principal). The interest at the rate of 12% per annum will continue to accrue till the final realisation of the award amount thereby strengthening its financial position.

Meanwhile, TDTR was admitted into CIRP by NCLT Mumbai in November 2019. The order of admission into CIRP was challenged before National Company Law Appellate Tribunal ("NCLAT") by one of the directors on the suspended Board of TDTR. Such challenge was not successful and being aggrieved, a civil appeal before Hon'ble Supreme Court ("SC") was filed against the order of NCLAT. In such proceedings, SC stayed the proceedings pending before the NCLT on January 03, 2022.

The Holding Company filed an impleadment application before the SC, and pursuant to deliberations with the lenders, a OTS proposal by the Holding Company was accepted by the Lenders.

Upon all the Lenders having accepted the said OTS proposal, which was noted by the SC in its order dated July 16, 2024, the Holding Company deposited partial OTS amount with the lead lender. Thereafter, the SC vide order dated December 09, 2024 dismissed the civil appeal, directing the parties to approach NCLT Mumbai for further steps. Consequently, the Holding Company is in discussion with the Lenders for effecting the OTS with due approval of NCLT, in accordance with law. In furtherance of the above, an IA was filed by the Holding Company before NCLT Mumbai seeking directions upon the RP and CoC to file a Section 12A Application for withdrawal of CIRP in terms of the SC Order dated December 09, 2024. During the CIRP, an application was filed by the RP seeking approval of a Resolution Plan by a consortium who had submitted bids to acquire TDTR under the CIRP route.

During a hearing held on December 8, 2025 before the NCLT, the RP sought to withdraw the Resolution Plan it had earlier filed for seeking approval of the tribunal. Being aggrieved, by the said order permitting withdrawal of the Resolution Plan, the consortium whose bid was shortlisted filed an appeal before the NCLAT. By an order dated April 20, 2026, the NCLAT directed NCLT to reconsider the application filed by the RP seeking approval of the Resolution Plan. Further, NCLAT kept it open for the NCLT to decide the Holding Company's application in accordance with law.

During the pendency of the NCLAT proceedings, the CoC of TDTR have filed an application before NCLT seeking withdrawal of Rs. 120 crore lying in the bank account of TDTR. The adjudication of these applications is pending.

Notwithstanding the dependence on above said uncertain events, TDTR continues to prepare its financial results on a 'Going Concern' basis.

- d) HK Toll Road Private Limited ("HKTR"), a wholly owned subsidiary of the Holding Company, has negative net worth as on March 31, 2026. HKTR has shown year-on-year growth in traffic and its revenue is sufficient to recover its operating costs. Further, its EBITDA ("Earnings before Interest, Tax, Depreciation and Amortization") is expected positive considering growing traffic over its remaining long concession period.

On May 27, 2023, HKTR had submitted its response against a notice of Intention to Terminate ("IOT Notice") the CA issued by NHAI vide letter dated May 12, 2023. NHAI later issued a Termination Notice on January 22, 2024. On January 23, 2024 HKTR filed petition under Section 9 of the A&C Act, before DHC for stay on the Termination Notice. DHC vide its order dated January 25, 2024 disposed of the petition and directed the Arbitral Tribunal (about to be constituted) to treat the petition as an application u/s 17 of the A&C Act. The Arbitral Tribunal pronounced its order on the section 17 application on August 08, 2024, directing that the Termination Notice be kept in abeyance till the final adjudication of disputes between the parties and NHAI to deposit into the Escrow Account the toll collections from January 22, 2024 onwards till the date of handover of the Project to HKTR. NHAI challenged the same before the DHC on August 12, 2024. DHC on April 17, 2025 set aside the order dated August 08, 2024 of the Arbitral Tribunal. HKTR has filed a Special Leave Petition before the SC and Notice is issued to NHAI on May 02, 2025 and the SLP was listed on May 19, 2026 for final arguments. The SC will decide the question of law in the matter. Meanwhile, the pleadings in the main arbitration are completed and HKTR filed its evidence affidavits in August/September 2025. Cross-examination of the witnesses are pending.

As HKTR has defaulted on its loan repayments, one of its lenders has filed a petition u/s 7 of the IBC before NCLT for initiation of CIRP which is reserved for orders.

Notwithstanding the dependence on above said uncertain events, HKTR continues to prepare its financial results on a 'Going Concern' basis.

- e) SU Toll Road Private Limited ("SUTR"), a wholly owned subsidiary of the Holding Company has defaulted on its loan repayments. Two of its lenders had filed petitions u/s 7 of the IBC against SUTR before the NCLT for initiation of CIRP. The NCLT admitted the petition filed by SBI thereby admitting SUTR in CIRP and appointed an IRP.

In the arbitration between NHAI and SUTR, pleadings are completed and affidavits of evidence have also been filed by the parties and cross-examination of the witnesses are pending.

Notwithstanding the dependence on above said uncertain events, SUTR continues to prepare its financial results on a 'Going Concern' basis.

- f) Notwithstanding the dependence on these material uncertain events (timing perspective) including achievement of debt resolution and restructuring of loans, time bound monetisation of assets as well as favourable and timely outcome of various arbitral awards and claims and receipt of proceeds from various regulatory assets, the Group is confident that such cash flows would enable it to service its debt, realise its assets and discharge its liabilities, including devolvement of any guarantees/support to certain entities including the subsidiaries in the normal course of its business. During the previous year, the Holding Company has repaid/settled nearly all its debt obligations payable to banks and financial institutions including debenture holders. The Holding Company remains confident in its ability to meet its balance obligations, if any, from arbitral awards and claims and other sources.

Accordingly, the consolidated financial results of the Group have been prepared on a "Going Concern" basis.

13. The Enforcement Directorate has provisionally attached the equity shares held by the holding company in the MMOPL. Further, MMRDA which is holding 26% of equity shares of the MMOPL has informed to the MMOPL that MMRDA is 'a shareholder' and not be treated as 'Promoter' in MMOPL. The matter is pending for hearing with BHC and matter is sub-judice.
14. In case of PS Toll Road Private Limited ("PSTR"), a wholly owned subsidiary of the Holding Company, NHAI issued Suspension Notice on May 25, 2023 suspending the right of the Concessionaire to collect User Fee. PSTR filed an application u/s 17 of A&C Act before the Arbitral Tribunal challenging the Suspension Notice. The Tribunal granted a conditional stay in favour of PSTR, against the suspension. Thereafter, PSTR's Section 17 application was heard and orders passed on March 07, 2024 keeping the suspension notice in abeyance subject to certain conditions. NHAI challenged the order before the DHC. PSTR filed another section 17 application on December 20, 2024, seeking stay on NHAI's Cure Period Notice dated October 25, 2024 among other contentions. The Arbitral Tribunal heard PSTR's application and declared its orders on March 16, 2026, allowing PSTR's prayers with certain conditions. The order dated March 16, 2026 has been challenged by both parties before the DHC. Meanwhile, in the main arbitration, cross-examination of witnesses is pending. An Operational Creditor had filed a Company Petition u/s 9 of the Code against the Company before NCLT for initiation of CIRP on account of non-payment of amount arising out of a Settlement Agreement. The matter stands amicably settled and the Company Petition withdrawn.
15. JR Toll Road Private Limited ("JRTR"), a wholly owned subsidiary, has been awarded the Concession on Build, Operate, and Transfer ("BOT") basis for, Jaipur Reengus section of National Highway No. 11 in the state of Rajasthan. NHAI had terminated the CA w.e.f. December 15, 2022 alleging defaults related to certain contractual obligations. JRTR invoked arbitration against NHAI on March 11, 2023, for resolution of disputes relating to termination of CA and other legitimate claims under CA. JRTR has submitted a claim of Rs. 850.40 crore which will adequately cover the entire investment. Presently, the cross examination of witnesses is pending. The next hearing is scheduled on June 08, 2026.

Notwithstanding the dependence on the above said uncertain events, JRTR continues to prepare its financial results on a 'Going Concern' basis.

16. KM Toll Road Private Limited ("KMTR"), a subsidiary of the Holding Company, has terminated the CA with NHAI for Kandla-Mundra Road Project (Project) on May 7, 2019, on account of Material Breach and Event of Default under the provisions of the CA by NHAI. In terms of the provisions of the CA, NHAI was liable to pay termination payment to KMTR, the termination being on account of NHAI's Event of Default. Further, KMTR has also raised claims towards damages for the breaches by NHAI and has invoked dispute resolution process under clause 44 of the CA. Subsequently on August 24, 2020 NHAI released Rs.181.21 crore towards termination payment (after adjusting self-adjudicated claims), which was utilized toward debt servicing by KMTR.

Further, KMTR had invoked arbitration and filed its statement of claims / Affidavits of Evidence before Arbitral Tribunal claiming additional termination payment of Rs. 900.04 crore and claims of Rs. 1,179.59 crore, which will increase with passage of time on account of interest accrual. Presently, final arguments are being heard.

As KMTR has defaulted on its loan repayments, one of its lenders has filed a petition u/s 7 of the Code against the Company before NCLT for initiation of CIRP and is reserved for orders Also, an Operational Creditor has filed a petition u/s 9 of IBC against the KMTR before NCLT for initiation of CIRP on account of non-payment of alleged dues owed. The Petition has not yet been listed.

Notwithstanding the dependence on the above uncertain events, KMTR continues to prepare its financial results on a "Going Concern" basis. Accordingly, Assets and Liabilities of KMTR are classified as Non-Current Assets held for sale as per Ind AS 105, "Non-Current Assets Held for Sale and Discontinued Operations".

17. Delhi Electricity Regulatory Commission (DERC) while truing up revenue gap upto March 31, 2023 vide its various Orders from September 29, 2015 to December 31, 2025 has made certain disallowances, for two subsidiaries of the Holding Company, namely, BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL) (collectively referred to as "Delhi Discoms"). Delhi Discoms have filed appeals against Orders from September 29, 2015 to December 31, 2025 before Hon'ble Appellate Tribunal for Electricity (APTEL). Delhi Discoms, based on legal advice and as per Ind AS 114, continues to carry such balances in line with the accepted regulatory framework as of March 31, 2026.

Hon'ble SC by Order dated December 01, 2021 read with Order dated December 15, 2022 and Order dated October 18, 2022 has settled long pending matters and directed DERC to comply with the directions contained therein. Delhi Discoms have challenged the non-compliance of Hon'ble SC Orders by DERC in the Contempt Petitions and Miscellaneous Applications pending before Hon'ble SC.

On July 19, 2024, DERC has issued the True-up Order for FY 2020-21 for Delhi Discoms, wherein it has partially implemented the Hon'ble SC Orders. Delhi Discoms has taken the impact of the said True-up Order on the carrying value of Regulatory Assets during FY 2024-25. Subsequently, DERC has issued the true up orders for FY 2021-22 on October 25, 2025 and for FY 2022-23 on December 31, 2025. Further, Hon'ble APTEL has issued judgements on July 21, 2025 and September 11, 2025 with regards to various issues challenged by Delhi Discoms. Delhi Discoms have challenged the Hon'ble APTEL judgement dated September 11, 2025 on issues which are decided against Delhi Discoms, while DERC has challenged the Hon'ble APTEL judgement dated July 21, 2025 on certain issues which are decided against DERC. Both the Appeals before the Hon'ble SC are sub-judice.

Based on aforesaid Hon'ble APTEL judgements and True-up Orders for FY 2021-22 & FY 2022-23, Delhi Discoms has recognised an additional Regulatory Assets of Rs. 1,275.51 crore (including carrying cost upto March 2025) during the year.

As per Hon'ble SC Judgement dated August 6, 2025 read with clarificatory order dated October 28, 2025, existing Regulatory Assets must be liquidated in a maximum of 7 years starting from 01.04.2024 taking Rule 23 of the Electricity Rules, 2005 (notified on 10.01.2024) as the guiding principle. Further, Hon'ble APTEL has initiated suo moto proceedings under above mentioned Hon'ble SC Judgement dated August 6, 2025 to monitor implementation of Hon'ble SC directions. The matter is sub-judice before Hon'ble APTEL and further vide order dated April 20, 2026, Hon'ble APTEL, while rejecting the application filed by DERC, has directed DERC to commence liquidation of Regulatory Assets as per RA Judgement within three weeks from the date of Order. Further, Delhi Discoms have also filed IA before Hon'ble APTEL in this suo moto proceedings seeking implementation of the Hon'ble APTEL Judgement dated July 21, 2025 and the same is also sub-judice.

The above mentioned Rule 23 also specifies that the carrying cost rate shall be the base rate of Late Payment Surcharge (LPSC) under the Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 – defined as SBI's one-year MCLR as of April 1 of the relevant financial

year plus 5%. Further, Hon'ble APTEL in its order dated December 02, 2025 in suo moto proceedings held that carrying cost must be in terms of Rule 23 of Electricity Rules, 2025 as amended on January 11, 2024. Accordingly, Delhi Discoms has applied this rate for carrying cost on Regulatory Assets from FY 2024-25 onwards in line with the above mentioned Hon'ble SC judgement and Hon'ble APTEL Order.

This matter has been referred by Delhi Discoms auditors in their audit report as an Emphasis of Matter.

18. On February 01, 2014, Delhi Discoms had received notice from power utilities for Regulation (Suspension) of Power Supply due to delays in power purchase payments. The Delhi Discoms filed Writ Petitions in the Hon'ble SC praying for keeping the regulation notice in abeyance, giving suitable direction to DERC to provide cost reflective tariff and to provide appropriate mechanism for adjusting the dues owed by the Delhi Discoms to power suppliers from the amounts due and owed to the Delhi Discoms. The Delhi Discoms had also submitted that DERC has not implemented the judgements of Hon'ble APTEL in favour of the Delhi Discoms as DERC has preferred an appeal against the Hon'ble APTEL orders

In the Interim Orders dated March 26, 2014 & May 06, 2014, Hon'ble SC inter-alia directed the Delhi Discoms to pay their current dues with effect from March 01, 2014 which will relate to the billing period from January 01, 2014. On May 12, 2016, Hon'ble SC by an Order passed in the Contempt Petitions filed by Delhi Utilities directed the Delhi Discoms to pay 70% of the current dues to them till further orders.

Fresh Contempt Petitions have been filed by Delhi Utilities in November 2016 alleging non-compliance of Hon'ble SC Orders regarding payment of current dues. Hon'ble SC on the request of the Delhi Discoms directed that, all connected matters be tagged with the Writ Petition and Contempt Petitions.

Delhi Discoms had also filed Interim Applications (IA) in the Writ Petition on September 26, 2022 pursuant to several communications from Government of National Capital Territory of Delhi (GoNCTD) and Delhi Utilities inter-alia threatening regulation of supply, in case dues are not paid and Letter of Credit is not established. Hon'ble SC by Order dated September 28, 2022 directed the parties to maintain status quo until further orders. Delhi Discoms Writ Petitions and all pending applications stood disposed of vide the Hon'ble SC Order dated August 06, 2025. However, Civil Appeals in which the order dated March 26, 2014 was passed and Contempt Petitions filed by Delhi Utilities in which the Order dated, May 12, 2016 was passed, are still pending in the Hon'ble SC.

This matter has been referred by Delhi Discoms auditors in their audit report as an Emphasis of Matter.

19. Due to financial constraints not attributable to and beyond the reasonable control of Delhi Discoms, which have arisen primarily due to under-recovery of actual expenses incurred by the Delhi Discoms through the tariff approved by DERC, Delhi Discoms could not service their dues towards various Power Generators/Transmission Companies (Power Utilities) within the timelines provided under the applicable Regulations of Central Electricity Regulatory Commission (CERC) or DERC/terms of Power Purchase Agreements (PPA)/Bulk Power Transmission Agreements (BPTA).

On account of such delay in payments, these Power Utilities may be entitled to raise a claim of Late Payment Surcharge (LPSC) on Delhi Discoms under applicable Regulations of CERC/DERC, and/or provisions of PPA/BPTA, Ministry of Power (MoP) advisory and/or

MoP Rules (including Electricity (Late Payment Surcharge and related matters) Rules, 2022 [though not strictly applicable due to subject dues not being covered by the definition of 'outstanding dues' in the Rules]). Delhi Discoms have recognised LPSC as per the applicable Regulations of CERC/DERC as the case may be, terms of PPAs/BPTAs,/other applicable laws, Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 (though not strictly applicable due to subject dues not being covered by the definition of 'outstanding dues' in the Rules)/Orders/Advisory issued by MoP from time to time, the orders/judgements of Hon'ble SC and reconciliation/agreed terms with Power Utilities, as the case may be, subject to the pending petitions in relation thereto before various fora.

The SC by Judgment dated August 06, 2025 (RA Judgement) inter alia noted that Ministry of Power ("MoP") in the Affidavit dated December 12, 2022 has stated that rate of LPSC fixed by various State Commissions at 18% was "usurious" as bank lending rates are 6-7% and observed that LPSC must be linked to the Bank Lending Rate to make it reasonable. Hon'ble SC also observed that disproportionate increase and long pending Regulatory Asset depict a 'regulatory failure'. It has serious consequences on all stakeholders, and the ultimate burden is only on the consumer. RA Judgement read with Hon'ble SC clarificatory order dated October 28, 2025 directed that the existing regulatory assets must be liquidated in a maximum of 7 years starting from April 01, 2024. Pursuant to RA Judgement Hon'ble APTEL initiated suo-moto proceedings to monitor implementation of Hon'ble Supreme Court ("SC") directions. The matter is sub-judice before Hon'ble APTEL, and further vide order dated April 20, 2026, Hon'ble APTEL, while rejecting the application filed by DERC, has directed DERC to commence liquidation of Regulatory Assets as per RA Judgement within three weeks from the date of Order (i.e., by May 11, 2026). On September 19, 2025, Delhi Utilities filed applications seeking impleadment on the ground that the Delhi Discoms may simultaneously liquidate the dues of Delhi Utilities, along with interest, as their Regulatory Assets get liquidated by DERC, in terms of directions of Hon'ble SC and Hon'ble APTEL. The matter is sub-judice

However, computation of LPSC involves a number of interpretational issues and propositions due to which there is a difference of Rs. 15,023.73 Crore, as on March 31, 2026, in the amount of LPSC recognized by Delhi Discoms in their books of account versus LPSC that is being claimed by some of the Generators/Transmission Companies. Delhi Discoms have recognized the LPSC liability on a prudent and conservative basis by evaluating all background facts as stated above and on the basis of accounting principle that the fair value of the financial liability should be estimated at the amount probable (i.e. more likely than not) to settle the same. The exact obligation arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Delhi Discoms.

Delhi Discoms have made several proposals for settlement of the power purchase overdues with Delhi Utilities, which have not fructified. DERC dismissed Review Petition of Delhi Discoms by Order dated June 05, 2025, since LPSC issue is pending before Hon'ble SC. Delhi Discoms have filed appeal before Hon'ble APTEL against the said DERC's Order. The matter is sub-judice.

In April, 2024, Delhi Utilities had filed Petitions before DERC *inter-alia* seeking directions for re-casting of the accounts of Delhi Discoms by recognizing LPSC in terms of the applicable Regulations of DERC. Delhi Discoms have *inter-alia* taken a stand that the prayers sought in the Petitions are in violation of the status quo order dated September 28, 2022 passed by Hon'ble SC and also beyond the jurisdiction of DERC. IPGCL & PPCL filed additional written submissions to amended reliefs sought in the Petition by stating that IPGCL & PPCL are not pressing their prayer seeking re-casting of the accounts of Delhi Discoms and are only pressing

prayers relating to re-conciliation and the rate of LPSC. In light of written submissions filed by Delhi Utilities, Delhi Discoms filed Applications in the said Petition expressing willingness to accept the request for reconciliation strictly in terms of Clause 6.8 of Power Purchase Agreements read with clauses of Bulk Power Transmission Agreement. The Applications were listed for hearing on June 03, 2025 wherein DERC reserved orders in the IAs. The order is awaited.

This matter has been referred by Delhi Discoms auditors in their audit report as an Emphasis of Matter.

The Holding Company, based on expert opinion, adjusted such loss and reduction in the value aggregating to Rs 5,024.88 crore of its strategic investments against the capital reserve and Rs. 287.14 crore against capital reserve on consolidation. The aforesaid accounting treatment had also been addressed by the statutory auditors in their audit reports. During the year, the Holding Company has changed such accounting treatment in accordance with the Ind AS 1, 'Presentation of Financial Statements'; Ind AS 109, 'Financial Instruments' and Ind AS 28, 'Investment in Associates and Joint Ventures' and in accordance with the Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' loss on invocation and fair valuation of investment adjusted against retained earnings, retrospectively.

24. During the year, the Enforcement Directorate ("ED") conducted search operations at the Holding Company's premises in exercise of its powers under Prevention of Money Laundering Act, 2002 ("PMLA"). Subsequently, the ED (i) provisionally attached 37 immovable properties owned by the Holding Company, including its shareholding in its subsidiaries i.e. BSES Rajdhani Power Limited, BSES Yamuna Power Limited and Mumbai Metro One Private Limited. Further under Foreign Exchange Management Act, 1999 ("FEMA") a lien aggregating to Rs. 77.86 crore has been provisionally marked on balances held across 13 bank accounts of the Holding Company. The Holding Company has filed a Writ Petition before the BHC assailing the actions of ED. The matter is pending. The provisional attachment orders with regard to 37 immovable properties have been confirmed by the Adjudicating Authority under PMLA for a period of 365 days and the Holding Company is in the process of filing an Appeal challenging the same. Further, the adjudication proceedings in respect of the provisional attachment orders related to shareholding in its subsidiaries and the marking of lien on the bank account of the Holding Company are underway before the authorities.

Separately, the Holding Company has received a Show Cause Notice ("SCN") dated September 30, 2025 on October 06, 2025 from the Securities and Exchange Board of India (SEBI) alleging violation of SEBI (Prohibition of Fraudulent and Unfair Trade Practices) Regulations, 2003 read with SEBI Act, 1992. The Holding Company has filed application for settlement with SEBI and the adjudication process arising of the SCN is pending.

We refer to Note 20 to the consolidated financial results regarding the Holding Company's exposure to the Economic Rights of shareholding in Odisha Discoms and in shares and securities in certain unlisted entities as on March 31, 2026, aggregating to Rs. 4705.74 Crore, acquired by the Holding Company pursuant to Consent Terms/Settlement Agreement in the previous year</p> <p>We were unable to determine the overall recovery of the aforesaid Economic Rights. Accordingly, we are unable to determine the consequential implications arising therefrom in the consolidated financial results of the Holding Company.</p> <p>2. We draw attention to Note 24 to the consolidated financial results regarding the ongoing proceedings by the Enforcement Directorate ("ED"), the Show Cause Notice (SCN) issued by the Securities and Exchange Board of India (SEBI) and notice from the Serious Fraud Investigation Office (SFIO) and Note 25 regarding filing of ADT-4 and tendering our resignation as the Statutory Auditors with effect from the handover of the statutory audit report for the financial year ended March 31, 2026, basis our review of the SCN herein and the allegations therein of suspected fraud with regards to the manner of utilisation of funds through CLE Private Limited (CLE) and its alleged relationship with the Holding</p>		

Company among other matters. In connection to this matter, we filed ADT-4 under section 143(12) of the Act and relevant rules, with MCA on January 19, 2026.

The outcome of the proceedings is presently uncertain and cannot be determined at this stage. Accordingly, we are unable to determine the consequential implications arising therefrom in the consolidated financial results.

3. We draw attention to Note No. 12(a), to the consolidated financial results in respect of Mumbai Metro One Private Limited (MMOPL), wherein the management of MMOPL has represented that the financial statements have been prepared on a Going Concern basis, notwithstanding the fact that the MMOPL has incurred net loss of Rs. 1,276.68 crore during the year ended March 31, 2026 and the MMOPL's net worth is negative aggregate Rs. 3,956.66 crore and its current liabilities exceed its current assets by Rs. 5,895.59 crore as at March 31, 2026. Majority of lenders, had filed applications with the National Company Law Tribunal (NCLT) under section 7 of the Insolvency Bankruptcy Code, 2016 for recovery of debts in the earlier year and the consortium of lenders have initiated recovery proceedings before Debt Recovery Tribunal (DRT), Delhi Bench under the provisions of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act). Further, pending final outcome of significant litigations under various laws the impact of which is unascertainable.

As informed, discussions with lenders for restructuring of borrowings are ongoing, necessary approval and binding agreement or definitive outcome has been reached as at the date of this report. The MMOPL's ability to continue as a going concern is dependent upon successful restructuring of borrowings, infusion of funds and generation of adequate future cash flows.

In absence of support letters from shareholders and sufficient cash flow for immediate twelve months the management plan to assess the going concern of the entity is not adequate. This situation indicates that a material uncertainty exists that may cast significant doubt on the MMOPL's ability to continue as a going concern. This has been referred by MMOPL auditors as a Qualification in their audit report.

As a result of the matters described in paragraph 1 to 3 above we were not able to obtain sufficient appropriate evidence to provide a basis of our Opinion on the consolidated financial results.
