- Discussion with large number of international defence majors for strategic partnership

Reliance Infrastructure Limited

Reliance Infrastructure Ltd (RInfra) is one of the largest infrastructure companies, developing projects through various Special Purpose Vehicles (SPVs) in several high growth sectors within the infrastructure space such as Power, Roads, Metro Rail, Cement and Defence.

RInfra is also a leading utility company having presence across the value chain of power businesses i.e. Generation, Transmission, Distribution and Power Trading.

RInfra through its SPVs has executed a portfolio of infrastructure projects such as a metro rail project in Mumbai on build, own, operate and transfer (BOOT) basis; eleven road projects with total length of 1,000 kms on build, operate and transfer (BOT) basis and cement plants of total capacity of 5.5 million tonnes in Madhya Pradesh, Maharashtra and Uttar Pradesh. Two plants of 5 MPTA each at Maihar (Madhya Pradesh) and Mukatban (Yavatmal district of Maharashtra) are under execution.

RInfra also provides Engineering, Procurement and Construction (EPC) services for developing power and road projects.

The company has recently entered into the defence sector. The Maharashtra Government has allotted 290 acres of land at Mihan near Nagpur for the development of India's first smart city for the defence sector known as Dhirubhai Ambani Aerospace Park (DAAP). RInfra has also announced the proposed acquisition of Pipavav Defence and Offshore Engineering Co. Ltd. (PDOE), which houses India's largest dry dock facility to build warships and other naval vessels.
