MEDIA RELEASE

RELIANCE INFRASTRUCTURE LIMITED BAGS AIRPORT AUTHORITY OF INDIA CONTRACT FOR NEW GREENFIELD AIRPORT AT HIRASAR IN RAJKOT, GUJARAT

RELIANCE INFRASTRUCTURE LIMITED TOTAL BID VALUE WAS Rs. 648 CRORE

NINE BIDDERS INCLUDING L&T, AFCONS, DILIP BUILDCON AND GAYATRI PROJECTS WERE IN FRAY

WORKS HAVE TO BE COMPLETED WITHIN 30 MONTHS

Mumbai, March 05, 2019: Reliance Infrastructure Limited E&C has received the Letter of Award (LOA) from the Airport Authority of India (AAI) of a contract worth Rs. 648 crores for the construction of new greenfield Airport at Hirasar in Rajkot district of Gujarat. Reliance Infrastructure Limited had participated in the tender for engineering, procurement and construction (EPC) contract independently as a main contractor.

The scope of work includes, detailed designing, engineering, procurement and construction of runway, basic strips, turning pads, taxiways, apron, perimeter and other roads, earth work in cut/fill and grading, drainage system, related retaining structures, fire station, MT pool, fire pit, cooling pit, ARP and associated approaches, supply, installation, testing and commissioning of airfield ground lighting system, visual aids for navigation and bird hazard reduction etc.

Reliance Infrastructure had scored the highest technical score of 92.2% among nine qualified bidders like Afcons, and L&T. The airport is to be completed within 30 months from the date of issue of letter of award (LoA).

The new airport is being constructed at a location near National Highway (NH-8B) connecting Ahmedabad and Rajkot nearly 36 km from the existing Rajkot Airport. **Over time, the proposed new airport will also meet the spill over needs of Ahmedabad.**

The holistic development of Hirasar airport will not only serve the demand generated by Rajkot city but also cater to the demand in the neighbouring states.

Commenting on the award, Reliance Infrastructure E&C CEO, Arun Gupta, said, ***“Our strong credentials in infrastructure projects execution are borne out by the successful execution of large scale transportation and power projects. The Hirasar airport project will further strengthens Reliance Infrastructure Limited’s bona fide to be a leader in infrastructure projects.”***

About Reliance Infrastructure Limited E&C

<http://www.rinfra.com>

Reliance Infrastructure Limited E&C is part of Reliance Infrastructure Limited (RInfra), with business interests spanning diverse infrastructure segments such as Roads and Highways, Railways and Metros, Mega Civil projects, Water and Marine, and Renewables in addition to Power projects.

Reliance Infrastructure Limited is one of the pioneering names in the business with a project portfolio of 1,000 km of roads, 140 MW of solar power, 4,000 km of transmission lines and 9,000 MW of thermal power. The division offers a single point solution for execution of projects from "Concept to Commissioning" including project development, project engineering, procurement, construction and commissioning for clients. 'On-time' project delivery and cost efficiency coupled with an uncompromising commitment to quality form the cornerstones of the business.

With over eight decades of experience in project execution and delivery, Reliance Infrastructure Limited has been successfully partnering with the nation to offer innovative, quality and on-time execution of complex mega infrastructure projects across diverse sectors and geographies.

Reliance Infrastructure Limited's E&C business is certified for ISO 9001:2000 by BVQI and also for Integrated Management System (IMS) covering Environmental Management System (ISO 14001) and Occupational Health and Safety Management (OHSAS 18001).
