MEDIA RELEASE

RELIANCE INFRASTRUCTURE LIMITED BAGS Rs. 3,647 CRORE EPC CONTRACT FOR PRESTIGIOUS UPPUR THERMAL POWER PROJECT

ORDER IS FOR BALANCE OF PLANT (BOP) for 2 X 800 MW SUPER CRITICAL COAL BASED POWER PROJECT IN TAMIL NADU

PROJECT IS TO BE COMMISSIONED IN 36 MONTHS

**RELIANCE INFRASTRUCTURE LIMITED EPC ORDER BOOK CROSSES
Rs. 15,000 CRORE**

Mumbai, February 22, 2018: Reliance Infrastructure Limited has won a prestigious engineering, procurement and construction (EPC) contract for Rs. 3,647 crore from Tamil Nadu Generation and Distribution Corporation Limited (TANGEDCO) for balance of plant (BoP) package and allied civil works for 2 x 800 MW supercritical coal-based Uppur Thermal Power Project at Ramanathapuram District in Tamil Nadu.

The contract entails design, engineering, supply, erection, testing and commissioning of BoP package and allied civil works on EPC basis. The project is to be commissioned in 36 months.

EPC division of the infrastructure major has won the contract in International Competitive Bidding amidst competition from leading EPC players like BHEL, L&T, Tata Projects and BGR. With this contract, Reliance Infrastructure Limited's EPC order book now stands at over Rs. 15,000 crore.

With a clear focus to position itself in India's growing infrastructure sector, and a multitude of projects in the offing in areas as diverse as power, metro rails, nuclear power plants, air quality control, marine, railways, ports, and mega infrastructure projects, Reliance Infrastructure Limited is targeting EPC opportunities worth Rs. 2 lakh crore and increase the EPC order book to Rs. 50,000 crore by FY19.

Speaking on the occasion, Arun Gupta, CEO, Reliance Infrastructure Limited EPC, said, ***"This is a prestigious project for us and will add to our existing credentials of executing large, complex projects in record time and at competitive cost. We will leverage our experience of execution of different types of power projects, from supercritical coal fired to advanced class gas turbine to renewable energy, in execution of this project and add TANGEDCO to our list of illustrious clients."***

In recent past, Reliance Infrastructure Limited has secured multiple EPC orders in power sector including 2 x 250 MW lignite-based CFBC Thermal Power Project from NLC India Limited, Flue Gas Desulphurization works of 3 x 500 MW power plant from NTPC Limited and 750 MW Combined Cycle Power Plant along with a 500 MMSCFD Floating Storage Re-gasification Unit based integrated LNG terminal project in Bangladesh.

In addition to power sector projects, Reliance Infrastructure Limited has won three road projects from NHAI, totaling 207 km.

Reliance Infrastructure Limited EPC division has earlier executed large projects worth Rs. 33,000 crore (US\$ 5 billion) including the 3,960 MW Ultra Mega Power Project at Sasan, Madhya Pradesh. Reliance Infrastructure Limited EPC is known for its unmatched capability in executing challenging projects, through a right mix of innovation, technology and robust processes to manage cost, time and delivering world-class quality.

About Reliance Infrastructure Limited EPC

<http://www.rinfra.com>

Reliance Infrastructure Limited EPC is part of Reliance Infrastructure Limited, which has a consolidated income of Rs 28,222 crore in FY 16-17, and business interests spanning diverse infrastructure segments such as Roads & Highways, Railways & Metros, Mega Civil projects, Water & Marine, Renewable in addition to Power projects.

Reliance Infrastructure Limited is one of the pioneering names in the business with a project portfolio of 1,000 km of roads, 140 MW of solar power, 4,000 km of transmission lines and 9,000 MW of thermal power. The division offers a single point solution for execution of projects from "Concept to Commissioning" including project development, project engineering, procurement, construction and commissioning for clients. 'On-time' project delivery and cost efficiency coupled with an uncompromising commitment to quality form the cornerstones of the business.

With over eight decades of experience in project execution and delivery, the EPC division of Reliance Infrastructure Limited has been successfully partnering with the nation to offer innovative, quality and on-time execution of complex mega infrastructure projects across diverse sectors and geographies.

Reliance Infrastructure Limited's EPC business is certified for ISO 9001:2000 by BVQI and also for Integrated Management System (IMS) covering Environmental Management System (ISO 14001) and Occupational Health and Safety Management (OHSAS 18001).
