Independent Auditors' Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of Reliance Infrastructure Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to,
The Board of Directors,
Reliance Infrastructure Limited**

1. We were engaged to review the accompanying Statement of Unaudited Consolidated Financial Results of Reliance Infrastructure Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group'), and its share of net profit/(loss) after tax and total comprehensive income/(loss) of its associates and joint venture for the quarter and half year ended September 30, 2025 ("the Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. This Statement which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors in their meeting held on November 11, 2025, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34, (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.
3. Our responsibility is to express a conclusion on the Statement based on our review. However, because of the matter described in paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis of our conclusion on this Statement.
4. We refer to Note 17 to the Statement regarding the Holding Company's exposure to the Economic Rights of shareholding in Odisha Discoms and in shares and securities in certain unlisted entities as on September 30, 2025, aggregating to Rs. 4,748.11 Crore, acquired by the Holding Company pursuant to Consent Terms/Settlement Agreement in the previous year.

We were unable to determine the overall recovery of the aforesaid Economic Rights. Accordingly, we are unable to determine the consequential implications arising therefrom in the unaudited consolidated financial results.

5. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consist of making inquiries, primarily of the personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended to the extent applicable.

In response the Airport SPVs by their letters dated April 22, 2025 had opposed these actions and clarified that the Resumption Order was contrary to the terms of the Lease Deed and ought to be withdrawn by MIDC. Further, on May 12, 2025, the Airport SPVs have issued their respective Notice for Conciliation in accordance with clause 16.2 of the Lease Deeds. Response from MIDC to the conciliation notice is awaited.

During this contemporaneous period, the Group was in discussion with MIDC officials for an amicable resolution of the matter and a favourable consideration of the Group requests. 10. In case of certain subsidiaries and associates, which have continued to prepare its financial results on a 'Going Concern' basis and related disclosures have been made in their separate financial results for the quarter and half year ended September 30, 2025. The details thereof together with the reasons for preparation of the respective financial results on 'Going Concern' basis are summarised below:

- a) Mumbai Metro One Private Limited ("MMOPL") is a subsidiary of the Holding Company. Its net worth has eroded and its current liabilities have exceeded its current assets. MMOPL is taking a number of steps to improve its overall commercial viability which will result in improvement in its cash flows and will enable it to meet its financial obligations. MMOPL has shown year-on-year growth in passenger traffic and its revenue has been sufficient to recover its operating costs. Further, its EBITDA (Earnings before Interest, Tax, Depreciation and Amortization) is positive and is expected to increase with growing ridership over its remaining long concession period of approximately 20 years.

MMOPL has defaulted on its loan repayments. The Rupee Term Loan Lenders have assigned their debts to National Asset Reconstruction Company Limited ("NARCL") as per intimation received from Canara Bank (the lead bank) vide letter dated December 27, 2024. The Company is in discussion with NARCL for restructuring of its assigned debt. NARCL has substituted itself in a Company Petition filed by Indian Bank u/s 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC") post assignment of the loan in its favour. NARCL has sought for initiation of Corporate Insolvency Resolution Process ("CIRP") in respect of MMOPL on account of default in dues and the matter is pending before the National Company Law Tribunal, Mumbai ("NCLT").

Further, MMOPL had filed various claims against Mumbai Metropolitan Region Development Authority ("MMRDA") on account of damages incurred due to delays by MMRDA in handing over of unencumbered Right of Way and land, and additional cost incurred due to various changes in design to accommodate project encumbrances and MMRDA had invoked two arbitrations against MMOPL one under the Concession Agreement ("CA") and the other under the Shareholders Agreement. By Awards dated August 29, 2023, the Arbitral Tribunal directed MMRDA to pay a sum of Rs. 992 crore along with further interest to MMOPL and directed MMOPL to pay a sum of Rs. 103 crore to MMRDA. The Awards have been challenged by MMRDA under section 34 of the A&C Act, while MMOPL has filed for execution of the Awards, and the said petitions are pending adjudication before the Hon'ble Bombay High Court ("BHC") which is next scheduled to hear the same on 20 & 21 November, 2025. BHC had directed MMRDA to deposit the full amount for grant of stay on execution. MMRDA challenged the said order before the Hon'ble Supreme Court ("SC"), which modified the amount to be deposited to 50% of the sum awarded. MMRDA has deposited 50% with the Registry of BHC.

The Holding Company will endeavour to provide necessary support to enable MMOPL to operate as a going concern. Notwithstanding the dependence on above uncertain timelines and events, MMOPL continues to prepare its financial results on a 'Going Concern' basis.

- b) GF Toll Road Private Limited ("GFTR"), a wholly owned subsidiary of the Holding Company has defaulted on its loan repayments. Two of its lenders have filed petitions u/s 7 of the IBC against GFTR before NCLT for initiation of CIRP, which stands commenced in terms of the order dated October 23, 2024 by NCLT and Interim Resolution Professional ("IRP") stands appointed.

Earlier GFTR had invoked arbitration, claiming certain damages/compensation against Haryana Public Works Department ("HPWD"), leading to a favourable arbitral award dated October 17, 2022 for Rs. 149.56 crore (principal amount) and pre-award and post-award interest, which was later corrected on January 17, 2023 for additional award in relation to revision of toll fee rates to be affected from August 19, 2017. The award will improve the financial position of GFTR.

Subsequently, HPWD had filed a Section 34 petition for setting aside the said award and had filed objection to GFTR's Section 36 petition i.e. execution of the said award. Both the matters are pending before the Hon'ble District and Session Court, Chandigarh and are scheduled for hearing on December 01, 2025.

As on September 30, 2025 the amount recoverable under award including interest stands at Rs. 479.66 crore.

Notwithstanding the dependence on above said material uncertain events, GFTR continues to prepare the financial results on a going concern basis.

- c) The current liabilities of TK Toll Road Private Limited ("TKTR"), a wholly owned subsidiary of the Holding Company, exceed its current assets. TKTR is taking various steps which will result in improvement in its cash flows and will enable it to meet its financial obligations. The revenue of TKTR has been sufficient to recover its operating costs. Further, its EBITDA (Earnings before Interest, Tax, Depreciation and Amortization) is positive and is expected to increase with growing traffic over its remaining long concession period extending up to financial year 2038. The current debt servicing issues are on account of mismatch in cash flows vis-a-vis debt servicing requirements.

During the year 2022, TKTR had succeeded in arbitration against National Highway Authority of India ("NHAI") leading to a favourable arbitral award of Rs. 588.31 crore (principal amount) and pre-award and post-award interest, which will further improve the financial position. NHAI had challenged the Award under section 34 of the Arbitration & Conciliation Act ("A&C Act"). TKTR had also filed a petition for execution of the Award. Both matters are pending before Hon'ble Delhi High Court ("DHC") and are next listed on November 24, 2025. As on September 30, 2025 the total Awarded Amount was Rs. 1,712.02 crore including interest.

DHC vide order dated August 09, 2023 directed NHAI to deposit 50% of award amount along with interest within four weeks and the balance 50% in four week thereafter and the same was permitted to be withdrawn by TKTR against Bank Guarantee ("BG"). NHAI approached the SC against the aforesaid order, and the SC modified the order on September 27, 2023 directing deposit of 25% of the awarded amounts by NHAI and submission of a BG for the remaining 75% before the DHC. NHAI deposited Rs. 282.24 crore and a BG of Rs. 847.83 crore with the Registry of DHC, which released the sum of Rs. 282.24 crore in favour of TKTR, against a BG of equivalent amount, on December 30, 2023. The amount withdrawn by TKTR was utilised to repay its borrowings.

Notwithstanding the dependence on above said uncertain events, TKTR continues to prepare its financial results on a 'Going Concern' basis.

- d) The Current Liabilities of TD Toll Road Private Limited (TDTR), a wholly owned subsidiary of the Holding Company, exceed its current assets. TDTR –had been taking various steps which will result in improvement in its cash flows and enable it to meet its financial obligations. The revenue of TDTR has been sufficient to recover its operating costs. Further, its EBITDA is positive and is expected to increase with growing traffic over its remaining long concession period extending upto financial year 2038. The current debt servicing issues are on account of mismatch in cash flows vis-a-vis its debt servicing requirements.

Further, TDTR has succeeded in arbitration against NHAI and is in receipt of two arbitral awards, both pronounced in the financial year 2018, aggregating to a sum of around Rs. 158.45 Crore (Principal). The interest at the rate of 12% per annum will continue to accrue till the final realisation of the award amount thereby strengthening its financial position.

Meanwhile, TDTR was referred to CIRP by NCLT Mumbai in November 2019. After an unsuccessful challenge to the said order of NCLT before National Company Law Appellate Tribunal (“NCLAT”), one of the directors on the suspended Board of TDTR filed a civil appeal before SC against the order of NCLAT. SC stayed the proceedings pending before the NCLT on January 03, 2022.

The Holding Company filed an impleadment application before the SC, pursuant to which the OTS proposal of the Holding Company was permitted to be considered by the Lenders. All the Lenders accepted the said OTS proposal which was noted by the SC in its procedural order dated July 16, 2024. The Holding Company deposited partial OTS amount with the lead lender. On December 09, 2024, the SC dismissed the civil appeal, directing the parties to approach NCLT Mumbai for further steps. Consequently, the Holding Company is in talks with the Lenders for effecting the OTS with due approval of NCLT, in accordance with law and has approached NCLT with appropriate application.

Notwithstanding the dependence on above said uncertain events, TDTR continues to prepare its financial results on a ‘Going Concern’ basis.

- e) HK Toll Road Private Limited (“HKTR”), a wholly owned subsidiary of the Holding Company, has negative net worth as on September 30, 2025. HKTR has shown year-on-year growth in traffic and its revenue is sufficient to recover its operating costs. Further, its EBITDA (“Earnings before Interest, Tax, Depreciation and Amortization”) is expected positive considering growing traffic over its remaining long concession period.

On May 27, 2023, HKTR had submitted its response against a notice of Intention to Terminate (“IOT Notice”) the CA issued by NHAI vide letter dated May 12, 2023. NHAI later issued a Termination Notice on January 22, 2024. On January 23, 2024 HKTR filed petition under Section 9 of the A&C Act, before DHC for stay on the Termination Notice. DHC vide its order dated January 25, 2024 disposed of the petition and directed to treat the petition as an application u/s. 17 of the Arbitration and Conciliation Act. The Arbitral Tribunal pronounced its order on the section 17 application on August 08, 2024, directing that the Termination Notice be kept in abeyance till the final adjudication of disputes between the parties and NHAI to deposit into the Escrow Account the toll collections from January 22, 2024 onwards till the date of handover of the Project to HKTR. NHAI challenged the same before the DHC on August 12, 2024. DHC on April 17, 2025 set aside the order dated August 08, 2024 of the Arbitral Tribunal. HKTR has filed a Special Leave Petition before the SC and Notice is issued to NHAI on May 02, 2025 and the SLP is now listed on

November 21, 2025 for arguments. Meanwhile, the pleadings in the main arbitration are completed and now evidence is to be filed.

As HKTR has defaulted on its loan repayments, one of its lender has filed a petition u/s 7 of the IBC before NCLT for initiation of CIRP which is pending.

Notwithstanding the dependence on above said uncertain events, HKTR continues to prepare its financial results on a 'Going Concern' basis.

- f) SU Toll Road Private Limited ("SUTR"), a wholly owned subsidiary of the Holding Company has defaulted on its loan repayments. Two of its lenders had filed petitions u/s 7 of the IBC against SUTR before the NCLT for initiation of CIRP. The NCLT has admitted the petition filed by SBI thereby admitting SUTR in CIRP and appointed an IRP.

In the arbitration between NHAI and SUTR, pleadings are completed and affidavits of evidence have been filed by the parties and further steps are to be decided by the Arbitral Tribunal on January 10, 2025.

- g) Notwithstanding the dependence on these material uncertain events (timing perspective) including achievement of debt resolution and restructuring of loans, time bound monetisation of assets as well as favourable and timely outcome of various arbitral awards and claims and receipt of proceeds from various regulatory assets, the Group is confident that such cash flows would enable it to service its debt, realise its assets and discharge its liabilities, including devolvement of any guarantees/support to certain entities including the subsidiaries in the normal course of its business. During the previous year, the Holding Company has repaid/settled nearly all its debt obligations payable to banks and financial institutions including debenture holders. The Holding Company remains confident in its ability to meet its balance obligations, if any, from proceeds of warrants, arbitral awards and claims and other sources.

Accordingly, the consolidated financial results of the Group have been prepared on a "Going Concern" basis.

11. In case of PS Toll Road Private Limited (PSTR), a wholly owned subsidiary of the Holding Company, NHAI issued Suspension Notice on May 25, 2023 suspending the right of the Concessionaire to collect User Fee. PSTR filed an application u/s 17 of A&C Act before the Arbitral Tribunal challenging the Suspension Notice. The Tribunal granted a conditional stay in favour of PSTR, against the suspension. Thereafter, PSTR's Section 17 application was heard and orders passed on March 07, 2024 keeping the suspension notice in abeyance subject to certain conditions. NHAI challenged the order before the DHC. PSTR filed another section 17 application on December 20, 2024, seeking stay on NHAI's Cure Period Notice dated October 25, 2024 among other contentions. The Arbitral Tribunal has heard PSTR's application and has reserved its orders on July 10, 2025. Meanwhile, in the main arbitration, cross-examination of witnesses is on, after which final arguments will be heard. An Operational Creditor has filed a petition u/s 9 of the Code against the Company before NCLT for initiation of CIRP on account of non-payment of amount arising out of a Settlement Agreement. The matter is pending.

12. JR Toll Road Private Limited ("JRTR"), a wholly owned subsidiary, has been awarded the Concession on Build, Operate, and Transfer ("BOT") basis for, Jaipur Reengus section of National Highway No. 11 in the state of Rajasthan. NHAI had terminated the CA w.e.f. December 15, 2022 alleging defaults related to certain contractual obligations. JRTR invoked arbitration against NHAI on March 11, 2023, for resolution of disputes relating to termination of CA and other legitimate claims under CA. JRTR has submitted a claim of Rs. 850.40 crore which will adequately cover the entire investment. Presently, the cross examination of witnesses is on, after which, arguments will be heard. The next hearings are scheduled on several dates during November – December 2025.

Notwithstanding the dependence on the above said uncertain events, JRTR continues to prepare its financial results on a 'Going Concern' basis.

13. KM Toll Road Private Limited ("KMTR"), a subsidiary of the Holding Company, has terminated the CA with NHAI for Kandla-Mundra Road Project (Project) on May 7, 2019, on account of Material Breach and Event of Default under the provisions of the CA by NHAI. In terms of the provisions of the CA, NHAI was liable to pay termination payment to KMTR, as the termination was on account of NHAI's Event of Default. Further, KMTR has also raised claims towards damages for the breaches by NHAI and has invoked dispute resolution process under clause 44 of the CA. Subsequently on August 24, 2020 NHAI released Rs.181.21 crore towards termination payment (after adjusting self-adjudicated claims), which was utilized toward debt servicing by KMTR.

Further, KMTR has invoked arbitration and filed its statement of claims / Affidavits of Evidence before Arbitral Tribunal claiming additional termination payment of Rs. 900.04 crore and claims of Rs. 1,179.59 crore, which will increase with passage of time on account of interest accrual. Presently, cross examination of witnesses is on after which, final arguments will be heard. The next hearings are scheduled on December 12/13, 2025 and then in March 2026.

As KMTR has defaulted on its loan repayments, one of its lender has filed a petition u/s 7 of the Code against the Company before NCLT for initiation of CIRP. Also, an Operational Creditor has filed a petition u/s 9 of IBC against the KMTR before NCLT for initiation CIRP on account of non-payment of alleged dues owed.

Notwithstanding the dependence on the above uncertain events, KMTR continues to prepare its financial results on a "Going Concern" basis. Accordingly, Assets and Liabilities of KMTR are classified as Non-Current Assets held for sale as per Ind AS 105, "Non-Current Assets Held for Sale and Discontinued Operations".

14. Delhi Electricity Regulatory Commission (DERC) while truing up revenue gap upto March 31, 2021 vide its various Orders from September 29, 2015 to July 19, 2024 has made certain disallowances, for two subsidiaries of the Holding Company, namely, BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL) (collectively referred to as "Delhi Discoms"). Delhi Discoms have filed appeals against these Orders before Hon'ble Appellate Tribunal for Electricity (APTEL). Delhi Discoms, based on legal advice and as per Ind AS 114, continues to carry such balances in line with the accepted regulatory framework as of September 30, 2025.

Hon'ble SC by Order dated December 01, 2021 read with Order dated December 15, 2022 and Order dated October 18, 2022 has settled long pending matters and directed DERC to comply with the directions contained therein. Delhi Discoms have challenged the non-compliance of Hon'ble SC Orders by DERC in the Contempt Petitions and Miscellaneous Applications pending before Hon'ble SC.

On July 19, 2024, DERC has issued the True-up Order for FY 2020-21 for Delhi Discoms, wherein it has partially implemented the Hon'ble SC Orders. Delhi Discoms has taken the impact of the said True-up Order on the carrying value of Regulatory Assets as at September 30, 2025. Subsequently, on October 25, 2025, DERC has issued the True up Order for FY 2021-22 for Delhi Discoms. Further, APTEL has issued judgments on 21.07.2025 and 11.09.2025 with regards to various issues challenged by Delhi Discoms. Delhi Discoms are reviewing the said APTEL Judgments and True-up Order dated October 25, 2025, as done in the past, will take legal opinion on its impact on their accounts in terms of the same principles as in the past and also decide on contesting the same before the appropriate authority, if required. Pending such assessment, the impact of the said Judgments and True-up Order on the carrying value of Regulatory Assets as at September 30, 2025 has not been considered.

As per Hon'ble Supreme Court Judgment dated August 6, 2025, existing Regulatory Assets must be liquidated in a maximum of 4 years starting from 01.04.2024 taking Rule 23 of the Electricity Rules, 2005 (notified on 10.01.2024) as the guiding principle. Further, APTEL has initiated suo moto proceedings under abovementioned Hon'ble Supreme Court Judgment dated August 6, 2025 to monitor implementation of Hon'ble Supreme Court directions. The matter is sub-judice before APTEL.

The abovementioned Rule 23 also specifies that the carrying cost rate shall be the base rate of Late Payment Surcharge (LPSC) under the Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 — defined as SBI's one-year MCLR as of April 1 of the relevant financial year plus 5%. Accordingly, Delhi Discoms has applied this rate for carrying cost on Regulatory Assets from FY 2024-25 onwards in line with the abovementioned Hon'ble Supreme Court judgment.

15. On February 01, 2014, Delhi Discoms had received notice from power utilities for Regulation (Suspension) of Power Supply due to delays in power purchase payments. The Delhi Discoms filed Writ Petitions in the Hon'ble SC praying for keeping the regulation notice in abeyance, giving suitable direction to DERC to provide cost reflective tariff and to provide appropriate mechanism for adjusting the dues owed by the Delhi Discoms to power suppliers from the amounts due and owed to the Delhi Discoms. The Delhi Discoms had also submitted that DERC has not implemented the judgements of APTEL in favour of the Delhi Discoms as DERC has preferred an appeal against the APTEL orders. In the Interim Orders dated March 26, 2014 & May 06, 2014, Hon'ble SC inter-alia directed the Delhi Discoms to pay their current dues with effect from March 01, 2014 which will relate to the billing period from January 01, 2014

On May 12, 2016, Hon'ble SC by an Order passed in the Contempt Petitions filed by Delhi Power Utilities directed the Delhi Discoms to pay 70% of the current dues to them till further orders. Fresh Contempt Petitions have been filed by Delhi Power Utilities in November 2016 alleging non-compliance of Hon'ble SC Orders regarding payment of current dues. Hon'ble SC on the request of the Delhi Discoms directed that, all connected matters be tagged with the Writ Petition and Contempt Petitions.

Delhi Discoms had also filed Interim Applications (IA) in the Writ Petition on September 26, 2022 pursuant to several communications from Government of National Capital Territory of Delhi (GoNCTD) and Delhi Power Utilities inter-alia threatening regulation of supply, in case dues are not paid and Letter of Credit is not established. Hon'ble SC by Order dated September 28, 2022 directed the parties to maintain status quo until further orders. The Hon'ble SC by Order dated August 06, 2025 observed that Delhi Discoms Writ Petitions and all pending applications stood disposed off. However, Civil Appeals in which the order dated March 26, 2014 was passed and Contempt Petitions filed by Delhi Power Utilities in which the Order dated, May 12, 2016 was passed, are still pending in the Hon'ble SC.

This matter has been referred to by Delhi Discoms' auditors in their audit report as an Emphasis of Matter.

16. Due to financial constraints not attributable to and beyond the reasonable control of Delhi Discoms, which have arisen primarily due to under-recovery of actual expenses incurred by the Delhi Discoms through the tariff approved by DERC, Delhi Discoms could not service their dues towards various Power Generators/Transmission Companies (Power Utilities) within the timelines provided under the applicable Regulations of Central Electricity Regulatory Commission (CERC) or DERC/terms of Power Purchase Agreements (PPA)/Bulk Power Transmission Agreements (BPTA).

On account of such delay in payments, these Power Utilities may be entitled to raise a claim of Late Payment Surcharge (LPSC) on Delhi Discoms under applicable Regulations of CERC/DERC, and/or provisions of PPA/BPTA, Ministry of Power (MoP) advisory and/or MoP Rules (including Electricity (Late Payment Surcharge and related matters) Rules, 2022 [though not strictly applicable due to subject dues not being covered by the definition of 'outstanding dues' in the Rules]). Delhi Discoms have recognised LPSC as per the applicable Regulations of CERC/DERC as the case may be, terms of PPAs/BPTAs, other applicable laws, Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 (though not strictly applicable due to subject dues not being covered by the definition of 'outstanding dues' in the Rules)/Orders/Advisory issued by MoP from time to time, the orders/judgements of Hon'ble SC and reconciliation/agreed terms with Power Utilities, as the case may be, subject to the pending petitions in relation thereto before various fora.

The Hon'ble SC by Judgment dated August 06, 2025 (RA Judgement) inter alia noted that Ministry of Power ("MoP") in the Affidavit dated December 12, 2022 has stated that rate of LPSC fixed by various State Commissions at 18% was "usurious" as bank lending rates are 6-7% and observed that LPS must be linked to the Bank Lending Rate to make it reasonable. Hon'ble SC also observed that disproportionate increase and long pending Regulatory Asset depict a 'regulatory failure'. It has serious consequences on all stakeholders, and the ultimate burden is only on the consumer. RA Judgement directed that the existing regulatory asset must be liquidated in a maximum of 4 years starting from April 01, 2024. Pursuant to RA Judgment Hon'ble APTEL initiated suo-moto proceedings to monitor implementation of Hon'ble Supreme Court directions. The matter is sub-judice before APTEL. On September 19, 2025, Delhi Utilities filed applications seeking impleadment on the ground that the Delhi Discoms may simultaneously liquidate the dues of Delhi Utilities, along with interest, as its Regulatory Assets gets liquidated by DERC, in terms of directions of Hon'ble SC and Hon'ble APTEL.

However, computation of LPSC involves a number of interpretational issues and propositions due to which there is difference of Rs. 13,536.21 Crore, as on September 30, 2025, in the amount of LPSC recognized by Delhi Discoms in their books of account versus LPSC that is being claimed by some of the Generators/Transmission Companies. Delhi Discoms have recognized the LPSC liability on a prudent and conservative basis by evaluating all background facts as stated above and on the basis of accounting principle that the fair value of the financial liability should be estimated at the amount probable (i.e. more likely than not) to settle the same. The exact obligation arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Delhi Discoms.

Delhi Discoms has made several proposals for settlement of the power purchase overdues with Delhi Utilities, which have not fructified. DERC dismissed Review Petition No. 60 of 2019 by Orders dated June 05, 2025, since LPSC issue is pending before Hon'ble SC. Delhi Discoms has filed appeal (DFR) No. 267 of 2025 before Hon'ble APTEL against the said DERC's Order. The matter is next listed for hearing on November 11, 2025.

In April, 2024, Delhi Power Utilities had filed Petitions before DERC *inter-alia* seeking directions for re-casting of the accounts of Delhi Discoms by recognizing LPSC in terms of the applicable Regulations of DERC. Delhi Discoms have *inter-alia* taken a stand that the prayers sought in the Petitions are in violation of the status quo order dated September 28, 2022 passed by Hon'ble SC and also beyond the jurisdiction of DERC. IPGCL & PPCL filed additional Written Submissions to amended reliefs sought in the Petition by stating that IPGCL & PPCL are not pressing prayer seeking re-casting of the accounts of Delhi Discoms and are only pressing prayers relating to re-conciliation and the rate of LPSC. In light of Written Submissions filed by Delhi Utilities, Delhi Discoms filed Applications in the said Petition expressing willingness to accept the request for reconciliation strictly in terms of Clause 6.8 of Power Purchase Agreements read with clauses of Bulk Power Transmission Agreement. The Applications were listed for hearing on June 03, 2025 wherein DERC reserved orders in the IAs.

This matter has been referred by Delhi Discoms auditors in their audit report as an Emphasis of Matter.

During the financial year 2019-20, due to unforeseen circumstances beyond the control of the Holding Company, on account of invocation of pledge by a lender on the Holding Company's strategic investment in equity shares of Reliance Power Limited and sale thereafter had resulted in significant losses and also reduction in the fair value of the remaining investment on mark to market basis. The Holding Company, based on expert opinion, adjusted such loss and reduction in the value aggregating to Rs 5,024.88 crore of its strategic investments against the capital reserve and Rs. 287.14 crore against capital reserve on consolidation. The aforesaid accounting treatment had also been addressed by the statutory auditors in their audit reports. During the quarter, the Holding Company has changed such accounting treatment in accordance with the Ind AS 1, 'Presentation of Financial Statements'; Ind AS 109, 'Financial Instruments' and Ind AS 28, 'Investment in Associates and Joint Ventures' and in accordance with the Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' loss on invocation and fair valuation of investment adjusted against retained earnings, retrospectively.

The Standalone Financial Results of Reliance Infrastructure Limited ("the Company") for the quarter and half year ended September 30, 2025 have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.
2. During the previous year, the Company has repaid/settled nearly all its debt obligations payable to banks and financial institutions including debenture holders. The Company remains confident in its ability to meet its balance obligations, from proceeds of warrants, arbitral awards and claims and other sources. Accordingly, the Company continues to prepare its Standalone Financial Results on a 'Going Concern' basis.
3. During the period, the Company has issued and allotted 1.25 crore equity shares of face value of Rs. 10 each to a promoter group company, pursuant to the conversion of warrants. These warrants were originally allotted during the previous financial year as part of a preferential issue of 12.56 crore warrants, which were convertible into equivalent number of equity shares at a price of Rs 240 per warrant (comprising Rs. 10 face value and Rs 230 share premium) to a promoter group company and two other non-promoters entities, through preferential allotment, in terms of Securities and Exchange Board of India (SEBI) (Issue of Capital and Disclosure Requirements) Regulations, 2018. 4. During the period, Reliance Power Limited has converted 9.88 crore warrants, into equivalent number of equity shares, out of 18.31 crore warrants, convertible into equivalent number of equity shares, of Reliance Power, allotted in the previous financial year to the Company through preferential issue by conversion of its existing debt. Accordingly, no further impairment is considered during the period.

7. (i) The majority of investments in the Company's balance sheet are comprised of investments made in its Subsidiaries. The Company had so far maintained an accounting policy of carrying investments in equity shares of subsidiaries at cost less accumulated impairment losses. The Company has voluntarily changed its accounting policy to provide more timely visibility into the performance of invested capital and reflect the true value of its subsidiaries, in keeping with the provisions of Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' to measure its equity investments in subsidiaries in the standalone financial results from cost less impairment as per Ind AS 27 'Separate Financial Statements' to fair value through other comprehensive income as per Ind AS 109 'Financial instruments' with retrospective effect. In the standalone financial results, investments in equity share of subsidiaries are now classified as fair value through other comprehensive income (FVTOCI) with changes in fair value of such investments being recognised through other comprehensive income (OCI) as on each reporting date.
