## Media Release

### **CBI's Action on Reliance Communications has No Impact on Reliance Infrastructure Limited**

**Mumbai, August 24, 2025:**

Reliance Infrastructure Limited wish to clarify on the Media Reports that the recent action by Central Bureau of Investigation on Reliance Communications Limited and on Mr. Anil D Ambani has **no impact on the business operations, financial performance, shareholders, employees, or any other stakeholders of Reliance Infrastructure.**

Disclosures and records available in public domain indicate that the complaint filed by State Bank of India (SBI) pertains to matters dating back more than 10 years. At the relevant time, Mr. Ambani was an ordinary Non-Executive Director of Reliance Communications, with no involvement in the day-to-day management. Mr. Ambani resigned from the Board of Reliance Communications six years ago, in 2019.

At present, Reliance Communications is being managed under the supervision of a Committee of Creditors, led by SBI and overseen by a Resolution Professional. The matter remains sub judice, pending before the NCLT and other judicial forums, including the Hon'ble Supreme Court, for the past six years.

**Reliance Infrastructure is a separate and independent listed entity with no business or financial linkage to Reliance Communications.**

**Further, Mr. Anil D. Ambani is not on the Board of Reliance Infrastructure Limited for more than 3.5 years.** Accordingly, any action in relation to Reliance Communications has no bearing or impact on the governance, management, or operations of Reliance Infrastructure.

**Reliance Infrastructure continue to focus on its business plans and remain committed to creating value for all stakeholders.**

### **Reliance Infrastructure Limited**

Reliance Infrastructure Limited (Reliance Infrastructure) is one of the largest infrastructure companies, developing projects through various Special Purpose Vehicles (SPVs) in several high growth sectors such as Power, Roads and Metro Rail in the Infrastructure space and the Defence sector.

Reliance Infrastructure is a major player in providing Engineering and Construction (E&C) services for developing power, infrastructure, metro and road projects.

Reliance Infrastructure through its SPVs has executed a portfolio of infrastructure projects such as a metro rail project in Mumbai on build, own, operate and transfer (BOOT) basis and road projects on build, operate and transfer (BOT) basis.

Reliance Infrastructure is also a leading utility company having presence in power distribution.
