Dear Sir(s),

**Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India
(Listing Obligations and Disclosure Requirements) Regulations, 2015
("Listing Regulations")**

Pursuant to Regulation 30 of the Listing Regulations, we enclose herewith the Media Release being issued by the Company which is self-explanatory, as Annexure A to this letter.

This is for your information and dissemination.

Yours faithfully,

For **Reliance Infrastructure Limited**

Paresh Rathod
Company Secretary

Encl: as above

MEDIA RELEASE

**RELIANCE INFRASTRUCTURE RECEIVES LETTER OF AWARD (LOA) FROM NHPC,
A LEADING NAVRATNA PUBLIC SECTOR ENTERPRISE FOR SOLAR POWER
AND BATTERY ENERGY STORAGE SYSTEM (BESS) PROJECT**

**THE PROJECT WILL HAVE AN INSTALLATION OF 700 MWp SOLAR DC CAPACITY AND
780 MWhr OF BATTERY ENERGY STORAGE SYSTEM (BESS) CAPACITY**

**RELIANCE GROUP EMERGES AS INDIA'S LARGEST PLAYER IN SOLAR + BESS SEGMENT
WITH 3 GWp SOLAR AND OVER 3.5 GWhr OF STORAGE CAPACITY,
CEMENTING ITS LEADERSHIP IN THE NEW ENERGY LANDSCAPE**

Mumbai, 19 August 2025 – Reliance Infrastructure Limited (Reliance Infrastructure), receives Letter of Award (LOA) from NHPC, one of the leading Navratna Central Public Sector Enterprise for 390 MW inter-state transmission system (ISTS) - connected solar power project coupled with Battery Energy Storage System (BESS).

Once commissioned, the project will add 700 MWp of solar DC capacity, and 780 MWhr of BESS capacity to Reliance Group's portfolio, consolidating its leadership in new energy solutions.

The winning tariff was discovered at INR 3.13/kWh, positioning the project among the most competitively priced offerings in India's energy transition landscape.

The project is part of a broader tender floated by NHPC, which saw participation from 15 entities, with 14 qualifying for the e-reverse auction. The tender was oversubscribed by nearly 4 times, reflecting heightened industry interest in dispatchable renewable energy solutions.

Reliance Power, a listed entity in the Reliance Group, already has a renewable energy portfolio of nearly 2.5 GWp of Solar and 2.5 GWhr of BESS capacity. With the addition of the above capacity, the combined Reliance Group's clean energy pipeline now stands at more than 3 GWp of Solar DC capacity and over 3.5 GWhr of BESS capacity, making it India's largest player in the integrated Solar + BESS segment.

This successful bid underscores Reliance Group's continued progress and commitment to becoming a leading player in India's renewable energy sector. It marks a significant milestone in the Group's strategic vision to transition toward cleaner energy sources and play a pivotal role in shaping the country's sustainable energy future.

About Reliance Infrastructure Limited

Reliance Infrastructure Limited (Reliance Infra) is one of the largest infrastructure companies, developing projects through various Special Purpose Vehicles (SPVs) in several high growth sectors such as Power, Roads and Metro Rail in the Infrastructure space and the Defence sector.

Reliance Infrastructure is a major player in providing Engineering and Construction (E&C) services for developing power, infrastructure, metro and road projects.

Reliance Infrastructure through its SPVs has executed a portfolio of infrastructure projects such as a metro rail project in Mumbai on build, own, operate and transfer (BOOT) basis and road projects on build, operate and transfer (BOT) basis.

Reliance Infrastructure is also a leading utility company having presence in power distribution.
